Start Your Own Ace Models Franchise

Ace Models was founded in 2005 by renowned business woman and award winning entrepreneur Joani Johnson. Joani is also a former Mrs South Africa title holder and model. Ace Models SA has achieved enormous success in the past and is the fastest growing modelling academy of its kind. Ace Models currently has a massive international footprint with over 20 franchises across Africa.

We realize that we have built a reputable brand, which is readily recognized by business insiders and the general public. We are uncompromising in the maintenance of high standards, and are now expanding the presence of the brand by increasing the franchise operations.
